## cork peg

Available in two lengths, cork peg is a wall hook that uses a magnetic mounting system. Cork is renewable, beautiful and naturally antibacterial; lending the simple form to diverse uses from door stop to toilet paper holder.

The weight bearing capacity of short cork peg is 7lbs (3.2kg). The longer peg supports a similar weight at the anchor point, but weakens towards the outer tip from leverage.

design by Stephanie Forsythe + Todd MacAllen

an integrated magnet connects cork peg to any ferrous structure. For non-magnetic surfaces, the hook has an easy-to-install magnet cup that serves as a mount.

the shorter length is better suited than the long for use as a hook for clothes, bathrobes or bags.

long cork peg works well as a bathroom accessories set of toilet paper and hand towel holders.

product		dimensions	material + colour	product code
<b>cork peg - short</b> wall hook		cork peg 7.5 x 4 centimeters Ø (3 x 1.5 inches) bearing capacity: 3.5kg (7lbs) includes magnetic cap mount that screws to wall	natural cork pegs  nickel plated magnets	PEG-HOOK-S
<b>cork peg - long</b> wall mounted holder for toilet paper + hand towels		cork peg 15 x 4 centimeters Ø (6 x 1.5 inches) includes magnetic cap mount that screws to wall	natural cork pegs  nickel plated magnets	PEG-HOOK-L
