

opening softwall + softblock box

softwall + softblock packaging is designed for ease of reuse and is fully recyclable. We recommend you keep the original packaging if you plan on storing softwall + softblock for extended periods of time or are transporting walls between installations. To repack softwall, follow directions in reverse and secure with strapping, stretch wrap, or our reusable velcro strap accessory.

step 1: Cut plastic strapping (do NOT cut cardboard).

step 2: Unfold and remove U-channels.

step 3: Unfold box
